Metronome / Tuner – All instruments will need a metronome AND tuner. If a student has a smart device (iPhone, iPod, Android phone, etc.) available for use, we recommend downloading the **“Tonal Energy” App (\$4). If you would prefer your student use his or her phone in class, we recommend the **Korg TM-50 Combo Tuner/Metronome (\$30)**.

Please do NOT purchase instruments from Sam’s Club, Walmart, Costco, Amazon, etc. If you find a good deal on a used instrument, great! Please let us check it for quality and for any needed repairs BEFORE purchasing.
